

Local Missions Happenings

bringing the gospel to life

Current Team: Pastor Ryan Kiefer, Don Read, Faye Read, Jerry Williams, Reed Lindley, (you?)

The **local missions team** has been a part of some recent community events. We are excited to be salt & light to the community sharing the gospel of Jesus through word & deed. Check out some recent highlights & pictures below. Are you a member of HCC & interested in serving on the local mission team? Contact Pastor Ryan at pastorryan@hopegilbertsville.org and let's chat.

Events

Fall Frolic-9/25/25

A few team members and volunteers set up a tent along with other vendors at New Hanover Park. HCC spent the day making balloon animals, giving out temporary tattoos & sharing the gospel with bracelets & a story book. Thank you to all who volunteered. It was a great day meeting people, talking about HCC, sharing Jesus & being part of the community.

Sweatshirts of Hope-9/25/25

A few team members set up a booth at Hope Festival 25 in support of Sweatshirts of Hope. Sweatshirts of hope is a nonprofit organization that provides free resources for life's struggles and a healthier community. The day features over 80 nonprofit organizations, live music, speakers & artist. We look forward to being more involved in the future sharing Christ to the community.

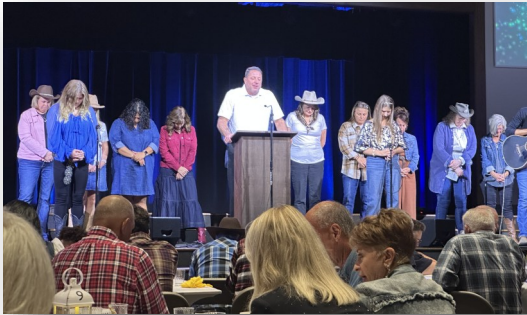

Local Missions Happenings

bringing the gospel to life

Genesis Women's Clinic-10/10/25

Genesis provides confidential advocacy to women who are facing unplanned pregnancy in the Pottstown & Phoenixville area. This year many from the local missions team and HCC attended their fundraising dinner held at Berean Bible Church. It was a great night of food, fellowship, testimony and vision casting. Genesis is having a huge impact for Christ and the fight for life. We are blessed to come alongside them both financially & physically.

We invite you to volunteer as more opportunities arise. Some current opportunities:

Project Purpose (Weekly)

God's Kitchen (Weekly)

Prayer Request:

Pray for the local missions team as we seek to add some new ministries in 2026. Pray for wisdom, that the name of Christ would be made known & for more team members to serve in this vital area of HCC.

Look for more details and sign-ups to come as we get closer to these local events. Continue to pray that HCC would have an impact on the community God has placed us in as we strive to Bring the Gospel to Life in the Church, Community & World.

Pastor Ryan (on behalf of the local mission team)
